

For Erie Canal and Troy Lock operations and general commercial Intership Safety communications on the Canal and Hudson River monitor Ch. 13 156.650. Note that VHF Marine channels are FM, not FMN.

Some other possible channels I can't verify are active:

Ch. 7 156.350 Lafarge Const. Matls. (Dock ?)

Ch. 9 156.450 Marinas, Yacht Clubs, etc..

Ch 78A 156.925 Albany Port Authority
